Communication with Teachers

- When dropping off and/or picking up your child please only communicate with the class teacher about important or quick information, for example a change to pick up/drop off or minor injuries.
- If you have a matter that you wish to discuss in more detail with your class teacher, it must first be communicated to the office and suitable time can be found to discuss this information/issue.
- The teacher's time is vital, and any discussion should not interfere with the running of the timetable or distract the teacher from their job on site.

Uniform

- MACS Dance believes that students gain more from their learning if they are appropriately dressed for their class. All students should be dressed appropriately for their class. A uniform list can be obtained from the website and/or the office www.macsdance.com/uniform
- If students are not dressed appropriately for class, it is at the discretion of the teacher to admit them to participate, in particularly if there is a health and safety or safeguarding concern.
- When getting changed for class the student changing areas should be used at all times. Changing outside the studio will not be permitted in order to safeguard our students and in accordance with our Safeguarding Policy.
- Students' hair should be tied back, and students will not be permitted to dance with their hair down. For Grade 2 ballet and above hair should be in a bun for optimal performance.

Examination and Presentation Classes/Class Awards

- Miss Hannah has a 100% pass rate with the Royal Academy of Dance (RAD) when entering students for examinations.

- MACS Dance takes the process of its formal assessment with the RAD very seriously and encourages all our students to consider them as such. Students gain a formal qualification with the RAD on successful completion of an Examination. 'The Royal Academy of Dance is an awarding organisation recognised to award qualifications on the Regulated Qualifications Framework (RQF) in England, Wales and Northern Ireland by the Office of Qualifications and Examinations Regulation (Ofqual), Qualifications Wales, and the Council for the Curriculum, Examinations and Assessment respectively.' For more information, please refer to the RAD website www.royalacademyofdance.org/
- Students will be invited to participate in an Examination or Presentation Class/Class Award by MACS Dance when they are ready and not necessarily at the same time as their friends. MACS Dance recognise that all students learn differently and at different rates of progression. Our aim is to not put unnecessary pressure on any student who is not ready for an examination and equally to not hold back any student who is progressing at a rate faster than those in their class.
- Examinations and Class Awards are optional and not mandatory to progress to the next grade.
- If your child is invited, you will be sent a copy of MACS Dance Examination Terms and Conditions.

Equal Opportunities and Special Educational Needs

- MACS Dance endeavours to offer an inclusive dance experience for all students. If your child suffers from any additional special educational needs (SEN) that may require specific attention from a class teacher, please ensure that this is registered on your child's registration form.
- All SEN measures will be taken to encourage, nurture and facilitate an enjoyable dance experience for all. If your child's need is not acknowledged on the registration form, it prevents the company and class teacher supporting their requirements.

Behaviour

- MACS Dance takes the behaviour of its students, parents/guardians, and customers very seriously to ensure a safe learning environment is achieved where learners feel physically, emotionally, and socially comfortable in every class. Anyone in serious breach of the behaviour policy while on site at any venue MACS Dance hire is at risk of immediate dismissal from MACS Dance.
